Contact Us

We’d love to hear from you.

JSummit is built with you and for you, and your input shapes the experience.

Email the JSummit team at JSummit@jcca.org with:

- **Questions:** Registration, travel, delegations, accessibility, or anything else that’s on your mind
- **Ideas:** Tell us about a speaker who’s inspired you, a topic your community is wrestling with, or a session you’d love to see
- **Feedback:** Share what would make JSummit even more meaningful for you and your delegation
- **Sponsorships:** Let us know about ways your organization can support or connect with JSummit participants

No question is too small, and no idea is too big. Every message reaches a member of our team, and we’ll get back to you.

Stay in the loop.

Join the JSummit 2027 communications list and get timely updates about speakers, sessions, registration, and more.
